DESCRIPTION

2013 Land Rover LR2 BASE - Heated Seats - Bluetooth

Take on Mission roads with confidence in this used 2013 Land Rover LR2 Base - Heated Seats from Pioneer Chrysler Jeep. With 95,967 km, this compact luxury SUV is sized right for daily driving, yet ready for changing weather. Its 2.0 L gas engine and automatic transmission keep things smooth and simple, while traction intégrale translates to all-wheel drive for added grip when conditions turn. This 2013 Land Rover LR2 Base - Heated Seats is a great fit for drivers who want a premium feel without the bulk of a larger SUV. The cabin is set up for comfort in every season, with automatic climate control and heated seats to take the edge off cold mornings. On the outside, alloy and aluminum wheels add a clean, upscale look, while halogen headlamps and a rear wiper help you stay ready for low-light and wet days.
